September 2020 Issue

UPDATE FROM OUR PRESIDENT

Dear Members,

The Club is approximately \$15,200 ahead of where we were one year ago. Expenses for the month of July were higher than normal due to an extra payroll, timing of billings for laundry services, and an increase in water expenses related to watering of the new flat area and an increase in water rates that Iron Mountain recently enacted. The board remains encouraged with our financial results.

The 75th annual Board of Governors meeting is September 8. We continue to plan towards hosting this meeting on our new outdoor venue, weather permitting. Seating will be available for members with appropriate amount of social distancing. We will be voting on new board members for the upcoming year, discussing the annual report, and updating members on Club affairs. If you haven't done so already please make your reservation today by calling 906-774-0434 or 906-239-7937.

We continue to make progress on our new outdoor venue. While we await the pouring of the concrete patio, we ordered and are starting to take receipt of the tables, chairs, heaters, umbrellas, and railing that will be placed around the perimeter of the patio. We have also received approval from the Liquor Control Commission to offer bar services on our patio area.

Chef Simon has revamped the lunch and dinner menus. The new menu items look truly amazing. We also recently introduced a member comment card. Please provide us with any positive or negative feedback regarding your food, dinner or bar services. The comment card will be included with your bill. After completing the card, please place it in the secure comment card box located in the front foyer. Access to the completed cards will be limited to the President and Vice-President.

Your continued support whether by dining in, take out or by hosting a special event is critical to the ongoing success of the Chippewa Club. Stay safe and healthy.

Sincerely,
Nate Goudreau
Board President

Gifts of Membership are Available

They make a great gift and are an easy way to introduce someone to the Club.

The Club is always looking to increase membership.

When you bring friends and business associates to dine it is one more opportunity for us to market the club and show off all we have to offer! We have membership packets available and would be happy to reach out to any interested parties. Ask Cameron for more information.
